Looking for Amara (Midtown)

I met you in Midtown before the quarantine set in. Your name's Amara, birthday 11/4. Long brown hair, dark complexion, and you go to Miami a lot. And you're an artist. Couldn't think of any other way to try to find you again, and you didn't drop a glass slipper, so I'm trying this. If, by any freak chance, you happen to read this, please email me.
